K.C.S. OLD BOYS' RIFLE CLUB

Hon. Secretary: S. O. B. Powell, 45, Cotterill Rd., Surbiton, Surrey.

The miniature range match against the Old Whitgiftians which was due to take place on the 10th January had to be postponed because of alterations to the range. It was, however, held on 7th March when our team was handsomely beaten by 744 to 680. Our top scorers were Richard Murphy with 91 and Jim Allen with 89 (ex 100). After the match a most entertaining falling discs competition was held on an individual knock-out basis. This too was won by an Old Whitgiftian. It was a most enjoyable evening which was crowned by a visit to the altered Club House of the Old Whitgiftians, where we partook of a very welcome snack and liquid refreshment, kindly provided by our hosts.

We now look forward to the Open Range season which will just about be commencing as these notes appear in print.

Dates to remember are :

Surrey Public Schools' Veterans	13th May
Open Range Match v. School	10th June
"Q" Match	17th June

K.C.S. OLD BOYS' R.F.C.

Hon. Secretary: G. F. Hazell, 55, Kingsdown Rd., Cheam, Surrey.

The improvement in the 1st XV was marked by a very well-earned draw against the Old Whitgiftians, and it is hoped that this improvement will continue for the rest of the season.

This year the Club, for the first time, entered the Lowestoft Rugby Festival and played three matches, winning one, drawing one, and losing one.. A very enjoyable time was had by all.

Once again we must repeat that the increase in the number of young players into the Club is having a most beneficial effect on all sides. We welcome them, and encourage more to join. With the end of the season approaching it is important that those interested in the Club should not lose contact. Training will start in mid-summer, and all members will be informed. Any School leavers interested in joining the Club should contact the Hon. Secretary.

The Club's Annual Ball was held on the 1st April, 1967, at the Wimbledon Hill Hotel, and all members are reminded of the Annual General Meeting in July.

It is hoped shortly to start the installation of electricity at the Club House, and that this will be completed by the beginning of next season. Full details will be sent to members, but it will be clear to all the improvement that this will be.

OLD KING'S CLUB

The Committee of the Old King's Club has, during the past year, been giving consideration to the service that the Club gives to its members in relation to the subscription paid, and to how that service might be improved and what additional facilities might be provided if the members of the Club want them. Schemes under consideration have been the possible provision of a central Club House with facilities adjacent for Cricket, Rugby Football, Hockey, Tennis, etc. Any Project of this kind is obviously going to be expensive, and before the Committee make any definite decisions they would like to know the opinions of as many members as possible. Included in the next issue of both the Magazine and Newsletter will be a brief Questionaire. The Hon. Secretary would be grateful if as many members as possible would fill in this and return it to him, and possibly attend the next A.G.M. in December and express their views in person.

Yours Sincerely,
P. J. Gibbs.
